NEWS BRIEFS

The Fischer - Spassky rematch remains our top story. As we go to print, Fischer has recovered from a series rough games and now leads the match by a 3-2 score. Although the media coverage has been excellent, we thought you might appreciate having the first eight game scores in one document.

October is the month for a number of Canadians to gain some international experience, and hopefully some norms! Canadian Champion Alexandre Lesiège returns to Hungary to train

and compete in a Grandmaster tournament. IM Deen Hergott will play in a GM event in Linares, Mexico, and Adam Littke will be representing Canada at the World Junior in Tierra del Fuego, Argentina. Good luck lads!

TOURNAMENT DIRECTORS

Please remember to put the NAME and DATES of your tournament on the crosstable so that it will be rated in its correct chronological order. Also make sure that the correct CFC number of each participant is given on the crosstable, and that each participant is a current CFC member! We need your help to maintain the accuracy and integrity of the CFC rating system.

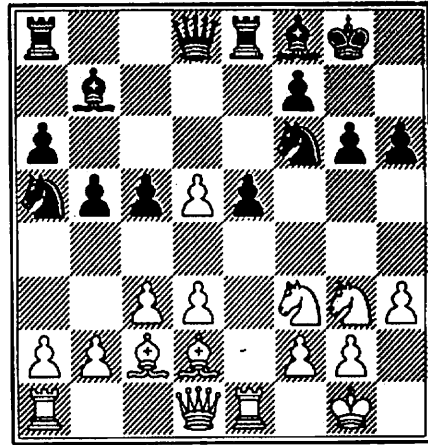

You will be happy to know that cross-tables are now free from the business office. Please take advantage of this service and make life easier for both of us. When submitting your report be sure to add up each player's score and include it on the cross-table. This can be done quickly and may help you avoid errors in your report. A brief report should accompany each crosstable. Please include the names of the TD, organizer and person reporting so that we can acknowledge your efforts on behalf of the CFC and chess in general.

If your event had more than one section please report these separately, i.e. each section should have its own crosstable. This doesn't cost you any extra money in rating fees and will ensure your event is correctly rated and reported.

Please note that rating fees and membership fees are Not Subject To GST.
